AWAITS YOU TO DISCOVER ITS BRAND NEW LOOK

Greece, May 2025

We are proud to announce that our Hotel has recently completed the project of an extensive renovation of its rooms and common areas. The renovating procedure began on 1st Oct 2025 and was successfully completed on 1st May 2025, in time for our guests to make the most of their stay with us upon their arrival.

The renovation procedure specifically included a complete overhaul of the lobby and reception, the pool and pool bar, the inside restaurant and the outside restaurant, all the rooms and bathrooms, and all the common areas inside and outside of the hotel building.

All our 110 rooms are fully renovated equipped modern furnishing, bath amenities, shower, cable-satellite tv, closet, daily maid service, direct dial telephone, hairdryer, individually- controlled air condition, non-smoking rooms available, private balcony or terrace, refrigerator, safe deposit box, wake-up call and writing desk.

We are looking forward to hosting our guests at our renovated facilities, offering the same familiar Greek hospitality; as far as that goes, certainly nothing has changed here at Hotel. Treating our guests with the best of care remains our top priority.
